GETTING STARTED

1. How does sharing conversations of faith make you feel? With fellow Christians? With not-yet-believers?
2. What are some of the barriers or fears associated with sharing your faith?
3. Consider how your faith experience and personal testimony could shape your approach to sharing faith?

GOING DEEPER

6. Peter reminds us that we are to evangelize with a certain attitude and behaviour. Consider and discuss how these traits are necessary for proper evangelism.

7. Your personal faith story remains your greatest witness to others. Spend time thinking about how you can put your experience of Jesus in your life, into words. How would it make you feel to share this with a stranger? Excited? Apprehensive?

PRAY

- Pray for boldness in our community to have spiritual conversations inside and outside of our church community.
- Pray for receptive ears to hear the heart of Jesus through our conversations.
- Pray for the holy spirit to convict hearts toward him as we embark on a year of living out the joy we have in Jesus.
