JONAH: WEEK 2

JONAH 1:16, 2-3

SUNDAY 15TH OCTOBER 2023

GETTING STARTED

- How does the book of Jonah illustrate the futility of running from God?

- Why do you think we sometimes have to sink so low before we remember God?

INTO THE WORD

READ: JONAH 3

- Given that Nineveh was a city in Assyria, one of the most powerful nations at the time, how do you think this made it difficult for Jonah to be obedient?

- Verse 4 says Jonah ‘proclaimed’. Verse 5 says the Ninevites “believed God”. After all of Jonah’s running and rebellion, how could it be so easy?

GOING DEEPER

- Think of times in your life when God has taught you something through your disobedience/running away.
- How does our view of God affect our willingness to turn *away* from our sins and turn *toward* God?
- Consider ways in your life that God might be seeking your obedience. What is standing in the way?
