### GETTING STARTED

- Have you ever had to detour around something when traveling? Share the story?
  
- What about in life? Have you ever had something happen where you had to change direction in your life, or there was a barrier that you had to go around or through in that season?

# INTO THE WORD

## **LUKE 5:17-26**

- This passage begins with Jesus having a group of high-ranking officials around him (Luke 5:17), what part does social pressure play on our faith? (think of this personally and as 'the broader church')
- Luke 5:18-19 talks of the friends who brought the paralysed man to Jesus, can you think of a time when friends helped you get through a hard season? What about a time when you had to carry someone else who was doing it hard?

# GOING DEEPER

Jesus heals the paralysed man's sins (v20), and then his paralysis (v24). It was the Pharisees that needed the evidence of Jesus' power. Do you think we need the same examples of faith today to believe?

How can we share the need for the forgiveness of sins with others, in a way that shows the love that the friends of the paralysed man showed, in bringing others to Jesus?

How can you do that this week?
