We are the church: Perfectly Imperfect - FAITH

SUNDAY 05 MAY 2024

- Consider the 2024 Vision series so far.
Discuss with the group how the challenges being put forward about The Church and our expression of community and faith at York Street have spoken to you.

- Think about your faith journey. Who and what were the key turning points that God used to draw you closer to Himself?

“Be the person you needed earlier in your faith story”

- Are there things that you feel or felt lacking in along the way? If you are new to faith consider mental barriers or challenges you have to seeing God the way you desire to.
- What could it look like to rise up at be the person you felt you needed earlier in your journey, for someone else?

“No matter where we are on our faith journeys, we can press in and grow in the ekklesia”

- Where do you see yourself along the path of faith?

- Consider the ways in which you might need to invest in your own faith journey, - no matter where you are at? What is the next step?

“In the ekklesia we are responsible for our own faith, and the faith of others”

- How can you actively invest in the faith journey of others? Perhaps an individual or a group.

PRAY

- Pray for the global and local Church.
- Praise God for all that he has done in your faith journey so far.
- Pray and seek how you might be led to take the ‘next steps’ in your faith journey.
- Pray and seek how you might be able to actively invest in the faith journeys of others.
