IMPACTING YOUR COMMUNITY ONE CHILD AT A TIME

JAMES 1:26-27

SUNDAY 11 AUGUST 2024

GETTING STARTED

In James 1:26-27, we find a powerful message about the essence of true religion. James emphasizes that genuine faith is not just about outward expressions or rituals, but about living out God's love through practical actions and personal integrity. This passage encourages us to evaluate the authenticity of our faith by how we treat others and how we conduct ourselves.

- Express your thoughts on the above statement. How do you find our actions and the authenticity of our faith connected?

INTO THE WORD

JAMES 1:26-27

In this passage, James outlines what a faulty and faultless religion looks like to God the Father.

- How do you think this impacts your effectiveness to an organisation like Kids Hope Australia?
- How can we encourage and support one another in our efforts to align with the principles of James 1:26-27?

GOING DEEPER

JAMES 1:22-25

- If you are not involved in something like Kids Hope Australia, what would you consider to be preventing you from serving and being a “do-er of the word” as James describes?

- What are some practical ways we can actively care for children and families in need, in our community?
